

Agenda

Utah Healthcare Infection Prevention Governance Committee (UHIP-GC)

09/19/2023 @ 3:00-4:30

Mission:

Protect the residents of Utah by reducing and preventing the occurrence of healthcare-associated infections and antimicrobial resistant organisms.

Vision:

Create healthy environments by eliminating inappropriate antimicrobial use and healthcare associated infections in healthcare systems throughout Utah.

Purpose:

To provide leadership and direction for healthcare-associated infection prevention and reporting activities in Utah.

***This meeting will be recorded for note taking purposes. Meeting minutes are publicly available, confidential information will be de-identified and is not to be shared outside this meeting.**

Meeting comments

Tariq Mosleh (DHHS)3:06 PM

<https://physicians.utah.edu/echo/clinical-support-areas/post-acute-care>

Jeanmarie Mayer3:15 PM

I know we've been through edits so many times, but for CRPA, R to carbapenem and one of the following: taz/tol, cefepime or ceftaz

Jeanmarie Mayer3:17 PM

and for CRE: or other Enterobacterales organism

Jeanmarie Mayer3:24 PM

approve!

Jeanmarie Mayer3:26 PM

Question re: ECHO calls - If someone registers, do they get an email with link to the call?

Angela Weil (DHHS)3:29 PM

Yes, if you register for ECHO you receive the zoom link and calender invite

Tariq Mosleh (DHHS)3:30 PM

Yes Dr. Mayer, once you are registered for the ECHO calls you will receive a reminder emails a week before and 24 hours before and a calender invite
