

Agenda

UHIP-GC Multiple-Drug Resistant Organism (MDRO) Control and Education

04/04/2024 @ 1:00-2:00pm

Mission:

Protect the residents of Utah from multiple-drug resistant (MDRO) infections through prompt identification and response to MDRO outbreaks in coordination with education for various healthcare facility settings (LTACH, LTCF, Dialysis, Outpatient, Acute Care Hospitals).

Vision:

The State of Utah will lead the national efforts to eliminate multidrug-resistant organism infections. Utah strives to reduce the amount of multidrug-resistant organisms in healthcare settings while also improving our detection and response.

Goal:

Improve detection, response, and education of multidrug-resistant organisms (MDRO) through collaboration with healthcare facilities to create additional educational opportunities, enhance awareness, address gaps and implement standardized MDRO focused infection prevention and control practices throughout the state of Utah.

***This meeting will be recorded for note taking purposes. Meeting minutes are publicly available, confidential information will be de-identified and is not to be shared outside this meeting.**

Time	Topic	Lead/Notes
Introductions		
1:00-1:05	Introductions <ul style="list-style-type: none"> ● Subcommittee Chair: Elena Snelten ● Additional representation ● Approve minutes 	Giulia
Action Steps/Plan

	<ul style="list-style-type: none"> • IP and LTC representative open discussion 	
Convene		
Next Meeting	<p>Every 3 months</p> <ul style="list-style-type: none"> • Next Meeting: Thursday 7/11/2024 <p>Minutes will be posted to the HAI website</p> <ul style="list-style-type: none"> • https://epi.health.utah.gov/uhip-governance-minutes/ 	Giulia De Vettori

Action Items:

1. Bring MDRO awareness to all healthcare settings
 - a. CPO, CRO, C auris
2. Updating the interfacility transfer form
 - a. Encourage use of any transfer form through training programs (e.g., nursing schools)
 - b. Promote interfacility communication
3. Build networking and professional relationships between ACHs, LTC, DHHS, medical training programs, and professional organizations
4. Transmission based precautions
 - a. Provide education on TBP for training programs (e.g., nursing schools, CNA programs)
5. Colonization considerations and Enhanced Barrier Precautions in long-term care facilities.
6. Understanding admission practices
 - a. Admission screening
 - b. Surveillance
7. Disseminate [MDRO guide](#) to long term care settings
 - a. EPA disinfectants

Action Plan for Education

1. Create needs assessment from UHIP subcommittee to identify MDRO education priorities
2. Create train-the-trainer in-services
3. MDRO guide
4. Certificates for Quality Assurance and Performance Improvement (QAPI)

Meeting comments:

Tariq Mosleh (DHHS)

1:04 PM

Next week

Jeanmarie Mayer

1:13 PM

@ Janelle - will you be sending all these links to the group?

You

1:13 PM

yes, they will go out with the minutes!

keep

Pin message

they are included in the agenda that was sent out earlier as well:)

keep

Pin message

Jeanmarie Mayer

1:22 PM

what does EBP mean? GOwn/gloves with residents with invasive lines and with select procedures?

this will be hard for them...

Janelle Kammerman (DHHS)

1:33 PM

Historical digests are posted here: <https://epi.utah.gov/hai-ar-monthly-digest/>

Linda Rider (DHHS)

1:39 PM

Could you reach out to the Vegas VA??

Kristin Dascomb

1:42 PM

Is the LTC training only for Utah residents, or regional?

Ashley Miller (UofU)

1:43 PM

Exactly

Linda Rider (DHHS)

1:43 PM

Comagine serves different states but we can check.

Ashley Miller (UofU)

1:44 PM

Right, it's a very tricky issue Elena.

Jeanmarie Mayer

1:44 PM

can we also have an update on C auris

Jeanmarie Mayer

1:45 PM

no other in state transmission?

You

1:47 PM

that is correct. 2 in state
