

Agenda

UHIP-GC Laboratory and Surveillance

03/23/2026 10:00-11:00 am

Mission:

Improve the technical and epidemiological knowledge of all labs in the state of Utah

Vision:

The State of Utah will lead national diagnostic efforts in identifying resistant organisms and pathogens of epidemiologic concern. The UHIP Laboratory Subcommittee will provide best practices for labs in the state of Utah

Goal:

Expand the technical and epidemiological expertise of all labs in the state of Utah through education and communication to improve the understanding of isolate submission and testing. Improve logistics, coordination, and communication of all labs and stakeholders.

UHIP-GC Purpose:

To provide leadership and direction for healthcare-associated infection prevention and reporting activities in Utah.

***This meeting will be recorded for note taking purposes. Meeting minutes are publicly available, confidential information will be de-identified and is not to be shared outside this meeting.**
