

Utah Zoonotic Influenza Interagency Response Plan

Appendix: Contact List, Educational Materials, Information-Sharing Agreements, and PPE Supplies

Contact list:

Utah Department of Agriculture and Food (UDAF):

- Dr. Amanda Price, State Veterinarian: amandaprice@utah.gov; 801-386-4189
- Dr. E. Sabo, Field Veterinarian: esabo@utah.gov; 385-395-1252

Utah Division of Wildlife Resources (DWR):

- Dr. Virginia Stout, Utah State Wildlife Veterinarian: vstout@utah.gov; 385-522-8462
- Contact information webpage: <https://wildlife.utah.gov/about-us/contact-dwr.html>

Utah Department of Health and Human Services (DHHS):

- Dr. Willy Lanier, Utah State Public Health Veterinarian: wlanier@utah.gov; 385-222-0582
- Dr. Leisha Nolen, Utah State Epidemiologist: lnolen@utah.gov; 801-538-6226

Utah Local Health Departments (LHDs): Look up contact information via the [Utah Association of Local Health Departments](#)

Educational materials:

- Poster about signs in cattle: [Bird Flu in Dairy Cattle / La Gripe Aviar en Vacas de Leche](#)
- Flier for exposed humans (printable): [Bird Flu / La Gripe Aviar](#)
- Poster for exposed humans (large): [Bird Flu / La Gripe Aviar](#)
- Pocket card for exposed humans: [Stop the bird flu / Detengamos la gripe aviar](#)
- FAQ for patients suspected to have HPAI: [What you need to know if you are being tested for bird flu](#)
- UDAF: [Dairy Cattle and Avian Influenza](#) (avian influenza detections in dairy cattle)
- UDAF: [Poultry and Avian Influenza](#) (avian influenza detections in poultry)
- UDAF: [HPAI and Pets](#)
- Utah DWR: [Avian Influenza and wild birds](#)
- Utah DWR: [Wildlife avian influenza detection data dashboard](#)
- Utah DHHS: [Avian influenza \(bird flu\) in humans](#) (English)
- Utah DHHS: [Gripe \(influenza\) aviar en humanos](#) (Español)
- USDA, Animal and Plant Health Inspection Service: [Avian Influenza](#)
- USDA, Food Safety and Inspection Service: [HPAI \(H5N1\) Information](#)
- FDA: [Updates on Highly Pathogenic Avian Influenza \(HPAI\)](#)
- U.S. Fish and Wildlife Service: [Highly Pathogenic Avian Influenza \(HPAI\)](#)
- CDC: [Bird Flu](#)
- Council of State and Territorial Epidemiologists: [Zoonotic Influenza Reference Guide](#)

Information-sharing agreements:

- [Memorandum of agreement](#) between UDAF, DHHS, and LHDs, effective April 1, 2025

Personal protective equipment (PPE) supplies:

- Requested PPE can be obtained from the DHHS warehouse.
- A PPE kit for a farm typically consists of Tyvek suits, boot covers, gloves, goggles, N-95 masks (25 of each; assortment of sizes).
